

## FY23 Communications

This past year, our District 14 Communications Team members, along with Car 14, assisted/participated in responses assisting district communities with structure fires, four (4) fire mobilization events, several technical rescue team events, five (5) technical rescue team drills, one (1) dive team activation and seven (7) dive team drills and eight (8) planned events. We are grateful for team members' time, talent and professionalism in service to all participating district communities.

Respectfully submitted,

Chief Kevin J. Breen

Marlborough Fire Department
